SANDBAR BARTENDER

AMY EIDSCHUN

BY STEVE KANG

ORIGIN: Visalia, CA**CREDENTIALS:** I have worked at Sandbar for about four years and have spent almost three of those years bartending.**SHIFTS:** Usually every Monday, Wednesday, Friday-Sunday**SIGNATURE DRINK:** I can make you a mean "One-eyed Donkey!" It consists of a few dashes of Rhubarb Bitters, equal parts of Captain Morgan, Sailor Jerry and Canton, pineapple juice and a splash of ginger beer to top it off! You can catch that one on our happy hour, too!**WORDS OF WISDOM:** If you don't remember it happening, it didn't happen.**HISTORY:** I spent my life in Visalia until I was 21. When I moved to San Diego, it blew my mind! I didn't know there was anything other than Coors Light and Smirnoff Ice to drink!**DRINKS MADE TODAY:****'Merica Mule** (*American Harvest Organic Vodka, fresh lime, ginger beer, Angostura bitters*)

Forget Moscow ... this is 'Merica, F@*# Yeah! It tastes even better because it comes with an American flag ... USA, USA, USA!

Walk of Fame (*Skyy Infusions Raspberry Vodka, organic lemon juice, simple syrup, fresh raspberries, Champagne*)

I'm so fruity, oh so fruity. Rooty Tooty Fresh and Fruity. Just when you think it can't be fruitier, you find out they put Champagne in it! Flip me upside down and call me a fruit bowl, this thing is delish.

Wahini tini*(Vodka Canton, pineapple and lemon)*

Am I in Hawaii? Am I in Tahiti? I'm in San Diego! Paradise in a cup!

THE JOINT

If you want to go to a casual beach bar where you can hang out with the locals or check out the droves of tourists, this is your spot. Interesting drinks and award-winning tacos certainly makes things more lively. The bar upstairs is fantastic on a nice sunny day.

FIVE QUESTIONS

01 If you could only drink one kind of alcohol for the rest of your life, what would it be and why?**Amy Eidschun:** Vodka! The possibilities are endless; you can drink it with anything!**02 Put these attributes about a man in order of your preference (appearance, intelligence, humor) and why.**

1) Humor; 2) Intelligence; 3) Appearance. I have rarely fallen for someone right away based solely on appearance. I usually become attracted to someone after getting to know them and that process goes much quicker when they can crack me up! Humor and intelligence will outlast good looks. Hugh Hefner's girlfriends probably love him for his intelligence and sense of humor.

03 Would you rather be rich or famous and why?

Definitely just rich! I want to be able to enjoy spending my money and not worry about paparazzi following me around and capturing all of my embarrassing moments/escapades!

04 If you met the guy of your dreams, how would you ask him out?

Well, if he was really the guy of my dreams he would ask me out ... and buy me pizza.

05 What do you love about working at Sandbar?

Sandbar has been my family for the past four years, and the Verant Group has been a great company to work for. Being a smaller bar, the staff is extremely close! It's like being with my best friends every day!
