## ***19 Tacos Every San Diegan Needs to Try***

WE'VE UNCOVERED THE BEST, IN A CITY WITH NO SHORTAGE OF TACO OPTIONS

May 1, 2017

In San Diego, tacos play an integral part of the culinary landscape and need no introduction. Tortillas wrapped around mouthwatering fillings can be found everywhere, from the fanciest of restaurants to the humblest of 24-hour taquerias. We tasted our way through dozens upon dozens of them and found 19 specimens that set the standard for taco superiority. Consider this a starting point in your exploration of San Diego's fabulous tacos, and chime in on [Twitter](#) with your favorite spot.

There's a reason this Mission Beach sport bar has won several citywide contests for its fish taco. Local white fish cooked Baja-style gets a delicious infusion of flavors from cotija-crusted flour tortillas, lime cream, spicy guac, crisp onion strings and chipotle aioli with a sprinkle of fried cilantro on top.
